Hi Team,

I want to make sure we are all on the same page regarding selling quantities. [REDACTED]

[REDACTED] It is very important that everyone abide by the protocol set forth from corporate, [REDACTED]

[REDACTED], this will escalate to HR. [REDACTED]

so I am strongly advising that the entire team be very conscious of what quantities you are handing over to Saks associates. Please keep in mind that when you are [REDACTED], you are in fact taking full responsibility for that sale.

The only exception to this rule is [REDACTED]

I hope this is clear to everyone, if you have any questions or concerns please see myself or Ana.

Thank you,

Julie
